### **Board Update – July 2017**

#### **Strategy Review**

- It was determined to defer the Board Strategic session until late November / early December
- Revisions to By-Laws are being reviewed and will be circulated to Board prior to next Board meeting.
- Risk and Audit Committee – the Charter is to be reviewed and a new member introduced to lead the Committee
- Player pathways have always been part of the strategic direction of FSC and in fact both male and female NPL clubs and were part of the initial unification discussions. A sub-committee has been set up including Board and non Board members to review this strategic objective

#### **Finance Report**

Financial reports were submitted and approved.

#### **Football Council Update**

- Women's Council advised Women's Grand Finals will be held on the same weekend as those of the Juniors at Unanderra
- Referee Council documenting key roles and responsibilities
- The Board endorsed a revised Men's Competition Structure recommended by the MFC:
  - U19's compulsory for IPL
  - YG to move to U23's with 3 overage players
  - U18's optional for IDL to be part of the Junior Competition
  - Club Championship to be explored further in 2018.
