

## **Football South Coast**

### **Board Update June 2015**

#### **Strategic Plan Update**

- A number of sponsorship proposals have been submitted
- A Homeless Hub football weekend was held with some great fundraising taking place by numerous clubs
- A seminar was run for clubs at no cost by the Grants Guy to assist with grant writing and submissions. Further seminars will be held for Volunteer Management and First Aid.
- A university intern has been engaged to assist with a Club Assistance Program to assist with policies and guidelines on club management
- A proposal was submitted on a Player Welfare Department – scope and objectives to be presented to the Board

#### **Finance and Policy Update**

Finance reports submitted and approved.

#### **Infrastructure Update**

- Discussion continues with Wollongong City Council in relation to exploring funding options for West Dapto or any other viable site that will improve current infrastructure challenges
- Lighting for Thomas Dalton Park to be completed by the end of 2015 as advised by WCC

#### **Juniors Football Council**

#### **Men's Football Council**

Document provided taken as read

#### **Women's Football Council**

Document provided taken as read

### **Referee Council**

- Two groups have been formed to address issues around the shortage of referees
- A Taskforce Group will continue to address short term strategies as outlined in the last board meeting. A number of these strategies have resulted in additional referees registered.
- A Strategy group has commenced which will comprise of members that will look at longer term objectives and strategies over the recruitment and development / retention of officials.
