

Football South Coast

Board Update - September

Strategic Plan Update

- Report taken as read
- Funding was received from Clubgrants for a Community Program involving refugees. This funding will be used for court hire, registration / insurance
- A sponsors get together is being organised

Infrastructure Update

- Report taken as read
- Ian McLennan Park – further assessment to be performed to determine the best location for any future amenities block
- Bruce Whalan provided an update on the written report submitted as a result of meeting representatives from SCC.
- FSC is waiting to hear on the outcome of the Community Building Partnership Program application

Finance and Policy Update

Referee Review Update

- The review of the RDC and its composition continues
- It was acknowledged that work has been done over the last two years, however there was significant work done especially around mentoring focus

CEO Report and Chairmans Report

- Work was being performed to consolidate competition rules across all community level competitions
- Discussion took place around the different levels of consultation / voting at each Football Council. It was agreed that although each Football Council may operate differently it was important to ensure consistency in the ratification / approval by the FSC Board via the CEO and Head of Football Council.

Football Councils Update

- Report taken as read.
- Milco Stojanoski thanked the Unanderra Hearts Junior Football Club and the Junior Council for a very successful grand final weekend.
