

Football South Coast

Strategic Priorities

Our MISSION:

One voice leading the number one sport in the South Coast region, providing inclusion, engagement and growth for the football community

Our VISION:

An inclusive football community united in excellence

FSC STRATEGIC PRIORITIES

- Improve Infrastructure
- Sustainability
- Referee recruitment and retention
- Football pathways
- Champion the alignment of clubs

Improve Infrastructure

United approach through the implementation of an Infrastructure Board Committee

Development of material and strategies to lobby government based on high priority items

Maintain the Facilities Database

Develop a long term solution to support the needs of our representative and development streams

Sustainability

Maintenance of existing revenue streams

Implementation of new business models and revenue streams

Management and Maintenance of FSC sponsors

Referee Recruitment and Retention

Undertaking a review of current Board committee and organisation structures

Develop a strategic direction with focus on recruitment and retention

Football Pathways

Develop coaching education and pathways for representative and community football

Open and transparent player pathways and opportunities

Ensure sustainable financial models for representative pathways

Champion the Alignment of Clubs

Develop a blue print to facilitate club mergers

Assist clubs to facilitate merger processes upon request
