FSC has migrated team names from 2020 across to 2021 season and renamed them.

AAW Division A

AAW Division B ,etc

The teams have an active status indicated by a green tick.

The registrar will be required to assign the active players into their respective teams for all Women's competition teams **COB on Thursday 25th February 2021**. Any player who is pending will not be able to be allocated – you will get an error.

If a new team needs to be created, then either rename a team not being used or add a new team but please use the coding above.

Any team created that has draft status (orange tick) needs to be made official immediately before adding players.

If a team is no longer required, then edit the team (click on pencil) and change the status to inactive.
