Any player who is listed either need to be made active or rejected.

If a player already has a current Active registration, then reject the duplicate.

Unfinancial Players

To list any player as unfinancial with FSC, clubs must follow the procedures outlined in the [FSC Disciplinary Regulations](#). This includes:

- Written documentation for part payments if applicable;
- Providing FSC with correspondence between the parties;
- Standing down players who are unfinancial from 31 May.

Clubs need to provide the documentation by 30 June 2021.

Note: If you are allowing players to participate in matches after 31 May 2021 then you are unlikely to have them listed as un-financial.

Census Date

As previously communicated, the Census Date will be 30th June 2021, 11:59pm.

Clubs will be charged for

- All Active players currently with the Club
- All pending players with the Club
- Any Active player who participated for the Club whose deregistration was completed after the Deregistration Deadline and the player did not register to another Club.
- Any player who did not qualify for a refund of fees as per Regulation 14.2 of the FSC Registration Regulations.

FSC will invoice Clubs for the balance of player fees after checking the data with FNSW.
