

MEMORANDUM

Reference: M24-03

To: Clubs with EOI for Women's Community Competitions
From: David Ware - Competition Coordinator
Date: 23 January 2024
Subject: **Women Team Community Competitions - Nominations**
Email: davidware@footballsouthcoast.com

Members

We received from your Club in November 2023, an expression of interest to nominate teams in the Women's Community Competitions for 2024.

As part of the nomination process, your club must supply the name and email address of the person who will be the team referee. A copy of the information sent previously can be found on the FSC website in club correspondence.

Your club should be actively getting players registered in Play Football and will need to confirm your participation by nominating teams into the respective competitions (Women's All Age or Women's Over 30) by **COB on 15 February 2024**.

The club must by this date have:

- Submitted the online nomination form – which includes the name and email address of the team referee for every team nominated.
- Paid \$330 nomination fee per team, and
- In Dribl allocated a minimum of 11 players to each team nominated.

Nomination Form

A **Club Executive**, is required to complete [this online form](#).

Page 1 – Club Name (as per EOI)

Name of Executive Person submitting the form

Email address of Executive Person submitting the form

Page 2 – You will need to enter the number of teams in each category – All Age, Over 30's and provide additional information, including the name of the team referee and their email address.

If you are not entering a team in a category, put 0.

Where you indicate one or more teams in a category then you will be asked for the requested division for team AAW Division "A", and an opportunity to put in a reason or give additional information. If entering two teams in O30's then gives the unique name for the team (e.g. Coledale Pink). A question will ask if your All Age team is interested in participating in the Bonnie Lassie.

Nomination fee calculated.

Submitting nomination.

Nomination Fees

Your club must by COB on 15th February 2024 have paid the nomination fee.

If you are using a Bank Transfer, then ensure your reference is **Club** WCL nomination. Please send David a copy of the receipt of the bank transfer (davidware@footballsouthcoast.com)

Allocation of Players in Dribl

1. Players must be made Active in Play Football. Do not make a player active unless your club has received payment of the registration fees as the Club will be liable for the governing body component.
2. Once a player is Active then data from PF will come across to Dribl, usually overnight but in peak period could take up to 48 hours.
