Subject: Female Football Week and National Volunteer week - information and links

Hi Everyone,

Just re sharing the below link and information regarding opportunities for clubs to celebrate Female Football week and National Volunteer week.

<https://footballnsw.com.au/player-hub/female-football/female-football-week/>

There's several opportunities coming up to recognise community football participants which we'd love to see engagement from within as many Associations as possible.

- **Female Football Week:**
 - **Award nominations:** Football NSW will be recognising a Female Player, Coach, Referee, Volunteer and Community Champion of the Year, all of whom will be nominated for the national awards. Please submit any nominations by **COB 29 April**.
 - **Event submissions:** Please ensure / encourage any planned events are registered on the Football NSW site. We'll be looking to cover a couple across the week and potentially send our videographer where possible so will use these events to plan off (would love to get out to any FFW events involving multiple / various clubs – please let us know!).
- **National Volunteer Week:** as per the last couple of years, Football NSW will again be looking to acknowledge local volunteers from across our wider community throughout the week. FNSW decide how many based on submissions and capacity but would be great to get nominations from as many areas as possible (nominations close 12 May).

Yours in football,

Sonya Keir
