Football South Coast Women's Council and teams are pleased to be supporting Oz Harvest in 2024 at a time when food security has become a major issue in the community.

**Every dollar donated equates to 2 meals for those in need.**

Our Charity Round is being held on Sunday 26<sup>th</sup> May.

Clubs are encouraged to undertake fundraising in a way suitable for their resources. We do suggest clubs work with their opposition on the day for a joint fundraising effort. If a club wants to host a home fixture fundraising event, they are welcome to do so the following week 2/6 if they are at home.

Oz Harvest are happy to take either **financial or non-perishable food** donations (no alcohol).
