Exclusive Football South Coast Offer

Call Fryer Barry Orthodontists and receive a NO GAP* consultation (i.e. no out-of-pocket expenses) if you have orthodontic health cover Or 50% off the initial consultation if you do not have private cover PLUS Free Reviews until your child is ready for treatment Simply mention FSC when you call

What is the best age?

A great age for a first orthodontic assessment is 7-9 years. This helps us to identify and if needed, correct any developing problems early. Don't wait until your child has lost their baby teeth to see us. Our specialist orthodontists know when is the best time to begin treatment, with most children starting treatment between 11-14 years of age.

GREAT NEWS FOR FSC MEMBERS & THEIR FAMILIES!
