

History of Under 12 Division 1 Competitions with Results

The following pages will contain a summary of the results of the 12 Division 1 competition, initially from 2025 back to 2010.

If time permits, it is hoped that results from earlier years can be added if they can be found.

As part of the history of the junior competitions, I have included some notes:

Structure

Prior to 2014, the under 12 competition were 11 v 11 with 18 rounds and a final series.

With the evolution of mini roo football, the U11 competition in 2013 became small sided, non-competitive football. It was then necessary from 2014 for the U12's (still 11 v 11) to have a grading season as FSC could have between 36—50 teams in this age group to sort into appropriate divisions.

The grading year was comprised of two parts. The first part involved organising fixtures for three weeks initially with teams in approximate divisional groups. After reviewing results, groups would be altered and the next set of games organised for the next two weeks. This process would be repeated until mid season when divisions were formed. As these games were only used to identify the strength of teams, the results did not contribute to any competition points and consequently these games have not been recorded in this document.

Once teams were placed into divisions, the second part of the grading process commenced which was playing the remainder of the year as a competition, usually around 9 games for ten team comps meaning that all teams played each other once and a final series. These results have been included in this document. For the following season, the competition results then are used to assist in forming divisions for the U13 competitions.

Season

In 2021, all competitions had to be abandoned as Health Orders were issued from the State Government due to the pandemic, Covid-19. This resulted in lockdowns in Local Government Area from the end of June of that year and football could not be restarted. Games which happened to be played are recorded.

In 2024, the Under 12 competitions moved to a small sided format 9 v 9 in line with recommendations from FNSW and FA. However, it was decided in our area to continue with grading and keep the competition aspect.

In 2022 and 2024, we experienced many weeks of wet weather and in an attempt to play as many games as possible, average points were used to as the first element in ranking teams for the finals. In 2022 due to the weather, only the League competition was completed.

In 2025, the competition rules were changed to use average points (Pts divided by games played) as the first discriminator in ranking teams.

Club changes

In 2018, Wollongong Olympic changed its name to University of Wollongong Juniors

In 2022, Lake Heights changed its name to Cringila Jnrs then in 2024 merged with Cringila.

Points and Ranking methods

Competition Points: 3 For Win, 1 for Draw, 0 for Loss, 0 for Bye.

League Ranking— 2010 - 2019 Goal Difference Method (Most Points, GD, Goals For ..)

2020—2024 Head to Head Method (Most points, look at results between teams)

2025 - Head to Head Method (Highest Average points, look at results between teams)

Tables

The competition tables have been slightly adjusted in that Byes were not counted as played. Also included will be some symbols:

* - means that the team had games which hadn't been played.

^ - means that the team had played a game earlier than the original schedule and therefore had played more games at that point of the year.

- issue which caused loss of points, goals, or forfeit.

Final Series: The following options were used depending on season .

- (A) 2 week top 4 ranked teams: Week 1: 1v4, 2v3 ... winners proceed to Grand Final in Week 2.
- (B) 3 week top 4 ranked teams: Week 1: Semi Finals: Major 1 v 2, Minor 3 v 4. Week 2—Final Los Maj v Win Min. Week 3 Grand Final Win Maj v Win Final.
- (C) 3 week top 6 ranked teams: Week 1 Qualifying Semis: (Q1) 1 v 2: (Q2) 3 v 6: (Q3) 4 v 5.
Week 2 : Semi Final (S1) Win (Q1) v Lowest ranked winner of (Q2) and (Q3), (S2) Loser (Q1) v Highest ranked winner of (Q2) and (Q3). Week 3 Grand Final - Winner (S1) v Winner (S2)
- (D) Week 1: Qualifying Semi 4th Pool A v 1st Pool B then 3 week top 4 ranked teams model (B)

CLUB HISTORY

The following pages will contain a summary of the results of the 12 Division 1 competition, for each Club

Notations

W = Won

WF = Won by Forfeit

D = Draw

L = Loss

LF = Loss by Forfeit

B = Bye

X = Round Washed out

DNP = Did not play, either game was postponed due to weather or deferred for some other reason (e.g. State Cup)

NG = No game scheduled

The number in the bracket against the opponent indicates where they were on the league table from the previous round.

Rank = The position in the league table of the team after that round.

Fernhill Vs						
Res	Rnd	Date	Opponent	Score	Rank	
L	1	10 Apr	Albion Park (-)	0 - 6	7	
W	2	17 Apr	Oak Flats (6)	5 - 1	4	↑3

As an example

Fernhill in Round 1 played Albion Park. As this was the first round, no team was ranked on a league table.

Fernhill lost the game 0—6 and were 7th on the league table after Round 1.

In Round 2, Fernhill (7th) played Oak Flats who were 6th on the league table, won the game 5—1 and Fernhill moved up 3 places to 4th on the league table.

Until a team actually played a game against an opponent (Bye did not count unless points were assigned) they would not have a ranking for the purpose of this summary.
