

History of Under 12 Girls

Division 1

Competitions Results

The following pages will contain a summary of the results of the 12 Girls Division 1 competition, with its first competition occurring in 2001.

As part of the history of the junior competitions, I have included some notes:

Girls Competitions: In 1996 the first girls only competition occurred in the 16 age group. In 1998 this expanded to an U17 competition and the following year an U18 competition. This then led to younger age groups with 14 Girls commencing in 2000 and then 12 Girls in 2001. As mini roos competitions developed, so did the girls competitions slowly going down the age groups with the U6 Girls competition starting in 2024.

Structure—U12 Girls

Prior to 2024 the Under 12 Girls competitions were 11 v 11. If required, a series of grading matches would be played before the competition commenced, otherwise 18 rounds were scheduled with a final series. Grading matches are not included in these records.

Seasons

In 2021, all competitions had to be abandoned as Health Orders were issued from the State Government due to the pandemic, Covid-19. This resulted in lockdowns in Local Government Area from the end of June of that year and football could not be restarted. Games which happened to be played are recorded.

In 2024, the Under 12 competitions moved to a small sided format 9 v 9 in line with recommendations from FNSW and FA. However, it was decided in our area to continue with grading and keep the competition aspect.

In 2022 and 2024, we experienced many weeks of wet weather and in an attempt to play as many games as possible, average points were used to as the first element in ranking teams for the finals. In 2022 due to the weather, only the League competition was completed.

In 2025, the competition rules were changed to use average points (Pts divided by games played) as the first discriminator in ranking teams.

Club changes

In 2018, Wollongong Olympic changed its name to University of Wollongong Juniors

In 2022, Lake Heights changed its name to Cringila Jnrs then in 2024 merged with Cringila.

Club History

I have also created a second volume which contains a summary for each club who have participated in this competition.

This will contain an abstract of how each team performed and includes a breakdown of how the club fared against other clubs over time with a record of the games played by the team in a given year.

Points and Ranking methods

Competition Points: 3 For Win, 1 for Draw, 0 for Loss, 0 for Bye.

League Ranking— 2010 - 2019 Goal Difference Method (Most Points, GD, Goals For ..)

2020—2024 Head to Head Method (Most points, look at results between teams)

2025 - Head to Head Method (Highest Average points, look at results between teams)

Tables

The competition tables have been slightly adjusted in that Byes were not counted as played. Also included will be some symbols:

* - means that the team had games which hadn't been played.

^ - means that the team had played a game earlier than the original schedule and therefore had played more games at that point of the year.

- issue which caused loss of points, goals, or forfeit.

Final Series: The following options were used depending on season.

- (A) 2 week top 4 ranked teams: Week 1: 1v4, 2v3 ... winners proceed to Grand Final in Week 2.
- (B) 3 week top 4 ranked teams: Week 1: Semi Finals: Major 1 v 2, Minor 3 v 4. Week 2—Final Los Maj v Win Min. Week 3 Grand Final Win Maj v Win Final.
- (C) 3 week top 6 ranked teams: Week 1 Qualifying Semis: (Q1) 1 v 2: (Q2) 3 v 4: (Q3) 5 v 6.
Week 2 : Semi Final (S1) Win (Q1) v Lowest ranked winner of (Q2) and (Q3), (S2) Loser (Q1) v Highest ranked winner of (Q2) and (Q3). Week 3 Grand Final - Winner (S1) v Winner (S2)
- (D) Week 1: Qualifying Semi 4th Pool A v 1st Pool B then 3 week top 4 ranked teams model (B)
- (E) Round Robin—three rounds played, points recorded only for this comp
- (F) Cup Champions—two rounds played on the same day. Random draw for Round 1, winner proceed to Round 2.
- (G) Top 2 ranked teams play in a Grand Final.
