- 1.1.2 The terms defined in the FSC Constitution, FSC Registration Regulations, or the FSC Disciplinary and Dispute Regulations shall have the same meaning in these regulations, unless otherwise stated.
- 1.1.3 The FSC Board will have the power from time to time to review, alter, or rescind these regulations.
- 1.1.4 Subject to the FSC Constitution and these Regulations, the Competition Manager (CM) and/or the relevant Football Council shall have the power to determine and implement decisions regarding control, administration, and organisation as specified in 1.1.1.

1.2 ADMISSION AND APPLICATION

- 1.2.1 FSC shall call for applications for all competitions for the following season, with participation being on an annual basis unless otherwise specified.
- 1.2.2 For the avoidance of any doubt, the club has no right to any renewal or extension to participate in any future competition(s). FSC reserves the right to determine at its sole discretion whether any right to participate in competitions is renewed or extended.
- 1.2.3 The FSC Board, through the relevant council and CM, will be responsible for assessing all Men's and Women's Premier League applications.
 - a) All applications shall be reviewed and assessed by the CM for completeness before review by the relevant council.
 - b) The recommendations of the relevant council for the competitions of the following season shall be forwarded for consideration and declaration to the FSC Board.
 - c) Once this process has been finalised, the declaration of leagues shall be communicated to clubs.
- 1.2.4 Applications to participate in all competitions administered within these regulations are to be made on the prescribed FSC forms and must comply with the assessment criteria as set out in the documents.
- 1.2.5 All applications must be fully completed and submitted by the document due date. Applications received after the closing date will only be accepted at the discretion of the FSC Board. Late applications may be placed into other leagues as determined by FSC.
- 1.2.6 Clubs that have provided inadequate information or incomplete applications as part of the participation document may be given five (5) business days in which to resubmit their application with full compliance.

- a) The same players on the match sheet must only be used during the rescheduled match (if not replayed in full). Previously made substitutions will stand in this case.
 - b) If a player is unavailable or has subsequently been suspended for a partly rescheduled match, they can only be replaced by a named substitute that was on the match sheet of the original match. This will count as a substitution.
 - c) Where the club has exhausted their allotted substitutions, the impacted team will play the remainder of the match with a reduced number of players.
 - d) Where the club had a player(s) expelled, they will recommence the match with the same number of players, i.e. reduced players on the field. The player(s) expelled cannot be replaced in this instance.

5.8 EXTREME WEATHER CONDITIONS

- 5.8.1 FSC and/or the match official may postpone, delay, or abandon any fixture due to extreme weather conditions that may endanger participants, such as but not limited to excessive heat/humidity or inclement weather.
