Football South Coast x Deploy Partnership Extension Announcement

Football South Coast is proud to confirm the extension of our long-standing partnership with **Deploy** for the 2026 seasons, continuing a relationship now over four years strong. 🏆

From 2026, the **Deploy Munich** will serve as the official match ball of the **Men's & Womens Premiership**, while the **Deploy Instinct** will become the official match ball of the **Men's Premier Leagues 2 & 3**. Deploy will also supply all match balls for the community and junior leagues.

Deploy continues to deliver community clubs the best value for money footballs across all levels and price points, helping lift the playing experience across the entire district.

“Our partnership with FSC goes beyond supplying footballs, it's about supporting a thriving community. We're committed to giving clubs the best value and helping every player enjoy a better football experience

from grassroots through to the premier competitions.” – Kurt Johnson,
Deploy

“We are delighted to extend our partnership with Deploy, who continue to demonstrate a strong commitment to quality and innovation across match and training balls. We look forward to building on the success of our relationship and working together to support the continued growth of the sport” - Ann-Marie Ballina, CEO
