**Subject:** January Grants update 2026

Good Afternoon,

Happy New Year!

Please find below our January Grants update 2026, outlining current grant opportunities and available support for clubs and associations.

As the governing body, we are pleased to offer letters of support for grant applications. These letters are highly recommended, as they are generally viewed favourably by funding assessors.

To request a letter of support, please email [lachlanm@footballnsw.com.au](mailto:lachlanm@footballnsw.com.au) with your club's name and a brief overview of your project. This will help us tailor the letter to your specific initiative.

We also encourage clubs to monitor their local council websites, particularly the grants section, as many councils offer their own sport and recreation funding programs.
